

EDUCATORS TO MEET HERE ON NOVEMBER 25

State Conference to Attract Large
Gathering of School
Officials.

MEETS IN FOUR DIVISIONS

Teachers, Trustees, Superintendents
and Citizens' League Members to
Study Pressing Problems of Public
Education—Stearnes Issues Call.

Arrangements for the reception and
entertainment of the delegates to the
Seventh Annual Educational Conference
of Virginia, which is to be held in
Richmond, beginning on November 25
and continuing to the twenty-seventh,
inclusive, were begun yesterday. The
executive committee of the conference
assembled for that purpose in the office
of Superintendent of Public Instruction
H. C. Stearnes.

N. E. Clement presided at the meet-
ing, Arthur D. Wright, Superintendent
of Schools of Henrico County, acting as
secretary. Plans were discussed and
ways and means agreed upon for caring
for the large body of school officials
and teachers who will attend the ses-
sion next month. The conference was
held in Lynchburg last year and the at-
tendance approximated 2,500. It is be-
lieved that the attendance will be as
large, if not larger, this year.

Participating in the meeting yester-
day were representatives of the four
constituent bodies of the State educa-
tional system, the Teachers' Associa-
tion, School Trustees' Association, Divi-
sion Superintendents' Association and
the Co-operative Education Associa-
tion.

At the fall institutes the County
Teachers' Association hold their first
meetings and elect delegates to the
State Association. The names of these
delegates must be reported to the secre-
tary of the State Teachers' Association,
Algar Woolfork, Springfield School,
Richmond.

Part of the time of every institute is
devoted to the Citizens' League move-
ment, with the idea of having all the
local leagues in each county elect dele-
gates. These names are to be reported
to Mrs. L. R. Dashiell, 520 West Grace
Street, Richmond.

The trustees of each county are urged
to send a delegate to the Conference of
School Trustees. The names of these
delegates are to be reported to N. E.
Clement, the president, Chatham.

STEARNES ISSUES CALL
FOR STATE CONFERENCE
Superintendent Stearnes has issued a
communication to the division school
superintendents throughout the State,
in which he says:

A very attractive program is being
prepared for the November meeting,
and the division superintendents are
invited to send in the names of speak-
ers who will worthily represent their
counties and cities on the programs of
the various associations and depart-
ments.

The Virginia Education Conference
includes the State Teachers' Associa-
tion, the Conference of Division Super-
intendents, the Co-Operative Education
Association and the Conference of
School Trustees; and the State Teachers'
Association has departments to
cover each of the several kinds of work
and subjects taught.

A cordial invitation to participate in
the exercises of the conference is ex-
tended to all private schools, and to
our institutions of higher learning,
both public and private. I trust that
all the superintendents in the State will
attend the November conference in
Richmond.

"Information as to railroad and hotel
rates, headquarters, places of meeting,
speakers, etc., will be sent in a subse-
quent letter to be issued in a short
while."

"In view of the fact that N. E.
Clement, president of the School Trus-
tees' Association, being president of
the executive committee of conference,
it is especially desired that there be a
large attendance of trustees."

"Prominent speakers in keeping with
those that had in the past will be secured,
and Richmond city will again be her
part liberally to entertain the visitors."

**HOME FOR INCURABLES
APPEALS FOR ASSISTANCE**
Annual Donation Day to Be Held on
Wednesday, When Committee Will
Receive Contributions.

On a broad street corner in the far
West End, where the cars turn south-
ward to William Henry Park, stands
the Virginia Home for Incurables—an
institution alone of its kind in the city,
performing its mission of its care for
those who are maimed and pained for
life.

Once a year the home turns to the
public for aid—only once a year, and
only for one day. That day this year
is Wednesday, October 28, when the
Donation Day for the Virginia Home
for Incurables. On that day the doors
will be thrown down to the generosity
of the public and a committee of women
from the organization by which the
home is operated will be on duty at the
institution to receive such gifts of sup-
plies or money as may flow in.

After a year of hard-pressed Rich-
mond has given freely of its goods and
of its wealth to aid the hard-pressed
organization, which through the re-
mainder of the year works hard to pay
the home's running expenses. The
givers come from all classes. Rich and
poor give their dollars and their dimes
as their purses permit. All gifts are
made welcome—large or small—whether
in money, linen or provisions.

An appeal issued yesterday by Mrs.
John Murphy, president of the home,
directs attention to the high cost of
commodities which has seriously en-
gulfed the institution this year. The
home shelters thirty-five patients—the
largest number that can be accommo-
dated with the present equipment and
resources.

**OUCH! LAME BACK.
RUB LUMBAGO OR
BACKACHE AWAY**
Rub pain right out with small
trial bottle of old "St.
Jacob's Oil."

Kidneys cause Backache? No! They
have no nerves, therefore cannot cause
pain. Listen! Your backache is caused
by lumbago, sciatica or a strain, and
the quickest relief is soothing, pen-
etrating "St. Jacob's Oil." Rub it right
on your painful back, and instantly the
soreness, stiffness and lameness disap-
pears. Don't stay crippled! Get a small
trial bottle of "St. Jacob's Oil" from
your druggist and limber up. A mo-
ment after it is applied you'll wonder
what became of the backache or lum-
bago pain.

Old, honest "St. Jacob's Oil"
whenever you have sciatica, neuralgia,
rheumatism or sprains, as it is abso-
lutely harmless and doesn't burn the
skin.—Advertisement.

L. Leslie Loth

RICHMOND MUSICIAN RETURNS FROM ABROAD

L. Leslie Loth Cancels Engagements
for Production of Symphony
in German Cities.

After six years' study and residence
abroad, L. Leslie Loth, a Richmond mu-
sician, has returned to the city for
this winter. During his residence
abroad Mr. Loth has appeared with
several of the leading symphony or-
chestras. Mr. Loth is the author of
a symphony for grand orchestra, the
successful production of which abroad
has occasioned favorable comment. It
was to have been produced in a num-
ber of European cities this winter, but
war conditions forced a cancellation of
engagements and compelled Mr. Loth
to abandon extensive plans for appear-
ing in recital and soloist abroad.

During the last four years of his
residence in Berlin, Mr. Loth was as-
sistant of the well-known piano teach-
er, Senor Alberto Jonas, and number-
ed among his pupils advanced musical
students, many of whom now occupy
responsible positions in musical schools
in the United States.

STEARNES ISSUES CALL

You Can't Find A Pimple

After Using Stuart's Calcium Wafers
Only Seven Days, Pimples
Simply Disappear.

The quick action of Stuart's Calcium
Wafers cannot be described. One must
see the effect on the skin after only one
or two days. They reach down into the blood, clean
it as one does dirty linen, throw off all
impurities in a natural way and thus
the blood does not fill the skin with
eruptions and discolorations in its at-
tempt to get rid of injurious waste.

"If You Could Have Seen the Pimples
I Used to Have. Ugh! The
Nasty Things!"

The chief charm of Stuart's Calcium
Wafers rests in their ability to very
rapidly clean the blood of its impuri-
ties.

Stuart's Calcium Wafers have not a
particle of poison in them. They are
free from mercury, biting drugs or ve-
nerous opiates. This is absolutely
guaranteed. They cannot do any harm,
but they always do good—good that
you can see in the mirror before your
own eyes a few days after.

Don't be any longer humiliated by
having a spotted face. Don't have
strangers stare at you, allow your
friends to be ashamed of you because
of your face.

Your blood makes you what you are.
The men and women who force ahead
are those with pure blood and pure
faces.

Stuart's Calcium Wafers will make
you happy because your face will be
a welcome sight not only to yourself
when you look into the glass, but to
everybody else who knows you and
talks to you.

We want to prove to you that Stuart's
Calcium Wafers are beyond doubt the
best and quickest blood and skin puri-
fier in the world and the surest, quick-
est way to do this is to tell you that
thousands of men and women, boys and
girls have used them for all manner of
impure blood conditions and skin trou-
bles. Go to your druggist this very day
and buy a box, price 50c. A small sam-
ple package will be mailed free to any-
one who will address F. A. Stuart Co.,
175 Stuart Bldg., Marshall, Mich.—Ad-
vertisement.

SOCIALIST CANDIDATE APPEALS FOR VOTES

Rev. S. C. Weatherly Speaks in Frater-
nal Hall—Thomas and Yoder
Also Heard.

Political speeches were made by men
prominent in the Socialist party before
an audience of about 100 persons last
night in Fraternal Hall, 315 West Broad
Street. The principal speakers were:
Rev. S. C. Weatherly, Socialist candi-
date for Congress from this district;
A. F. Thomas, a well-known Socialist
of Lynchburg, and Adon Yoder, for-
merly editor of a Socialist publication
in Richmond, and now a resident of
Lynchburg.

In his speech, the candidate for the
House of Representatives said that in
announcing his candidacy he had no
desire to further any personal ambi-
tion, but he urged that every work-
ing man cast his ballot for principal,
regardless of political affiliation. He
said he stood for "the only party of
the working man, controlled by the
workers for the working class."

The Lynchburg Socialists spoke for
half an hour each, devoting the greater
part of their time to a general dis-
cussion of social and economic is-
sues. About one-third of the audience
was composed of women. None of the
speakers overlooked this fact. Plat-
eering from the orators intended for
female ears brought more applause and
a greater show of enthusiasm than
did their caustic arraignment of pres-
ent economic conditions.

Seated to Grand Jury.

Albert James and Clarence Johnson,
both colored, were yesterday sent on
to the grand jury for trial on November
2 on a charge of breaking into an At-
lantic Coast Line Railroad car and
stealing \$14 worth of suit meat. The
arrest was made by Detectives Gordon
Smith and Bertucci.

Among the Speeders.

A. W. Bennett, A. L. Thomas, E. D.
Harris and D. Williams were yesterday
in the Police Court, having been ar-
rested on Chesterfield County war-
rants charging them with speeding
their automobiles in Bon Air. Each
was bailed for his appearance in the
Bon Air court on October 28.

Highland Park Attorney

Over Mayor's Veto, Town Council Votes
Fee in Recent Annexation
Case.

Regardless of the veto of Mayor W.
G. Quarles, of Highland Park, the Town
Council has voted to pay Attorney
George B. White a fee of \$1,000 for
professional services rendered during
the proceedings in the annexation case
in Henrico County before Judge A. A.
Campbell.

Attorney White was appointed to
represent the town when the case first
came up in the courts to get whatever
concessions he could for Highland
Park. When the proceedings were at
an end, it was ordered that the town
became a part of Richmond, after
November 5, Attorney White presented
a bill for \$1,000 to the town of High-
land Park for payment. The bill was
presented at a recent session of the
Town Council, and was referred to the
Finance Committee for report. The
committee at a later meeting recom-
mended that the bill be paid. The
recommendation was submitted to a
vote, and was approved. Mayor
Quarles, believing the fee asked by the
attorney to be excessive, opposed its
payment.

At a meeting of the Council Friday
night after a brief debate the Council
voted to pay the entire amount of the
bill regardless of the Mayor's veto.
When the vote was taken five Council-
men favored the payment of the bill
and one opposed it.
